Example from a CDM Project

Non-A1 “accounting” rules

Reporting requirements for REDD+

Example: Reporting on REDD+ (Brazil+??)

Reporting requirements for NAMAs

Biennial Update Reports

14 March

Practical exercise

Simplified reporting and accounting based on a fictional country.

What’s next?

The ADP Process and the land sector

The informal dialogue on the Land Sector

Session Evaluation

Why this Training Programme now?

- The ADP process will soon have consider the role of the land sector in the future climate agreement
- The current setting for the land sector is scattered in different agenda items
- Negotiators tend to focus on specific agenda items and their knowledge and capacity on related agenda items may be limited

Who is this Training Programme for?

- Land related negotiators from non-A1 including:
 - REDD+ Negotiators
 - LULUCF Negotiators
 - Agriculture Negotiators
 - NAMA Negotiators
- Negotiators were selected on their personal capacities amongst non-A1 countries, and an attempt was made to create a diverse group were different experiences could be shared. In particular the group should reflect:
 - A mix of negotiator backgrounds
 - A good regional distribution

How will the Programme be Conducted?

- The training programme will be conducted in English
 - (NO interpretation will be available for other languages)
- The sessions will include a mix of lectures, practical examples and a practical exercise

Are there costs involved?

- All costs related to the participation in the Training Session are covered by the organization, including:
 - Flights and local transportation
 - Hotels
 - All meals during the programme

Who will provide the Training?

- The training will be provided by Paulo Canaveira (Terraprima/Portugal) and Thelma Krug (INPE/Brazil), experienced negotiators on land related topics under the UNFCCC
